Questions

This is the most important step to help your voters learn more about you and your campaign. All candidates in your race will receive the same questions to answer. Please try to answer all of the questions below.

If elected, what are your top 3 priorities?

Ellen: 1. End illegal drugs that cause crimes and homelessness. When these three social problems end, the corrupt career politicians can not use these problems to scam our hard-earned money. My new team will lower taxes to save all residents.

2. Bring back business to create jobs. Currently, we have about 40% empty businesses and apartments. My new team will collaborate with residents and businesses to create new businesses for local people, benefit residents, and operate by the people for the people. We will invite big corporations too, work with them for cost and effective operations to benefit both owners and workers. We will bring tourists back and make San Francisco a world classic city again.

3. Affordable housing for teachers/families/ residents. We have so many vacant apartments and buildings. My new team will create fair housing policies to help both owners and tenants live a prosperous life, with love and hope. No more lies created by the un-constitution government leaders.

What background, experience, and/or education qualify you for this elected office? (You may use your candidate statement here if desired.)

Ellen: I am a pro-life mother, a Family Social Worker, a Christian who honors God, and a MAGA Republican to make San Francisco Safe and Clean! I worked for the San Francisco government as a Family Social Worker for almost 20 years. I've lived and worked in San Francisco for 38 years. I am 55 years old. Along with hundreds of Christians and Catholics, I was wrongfully terminated by London Breed in 2022 due to not injecting covid19 vaccine. As of today, we the public workers have 33 lawsuits against wrongful termination against unvaccinated workers. My public service experience told me we don't have a constitutional government for the People and by the People anymore. When God put me in the Mayor's Office in 2025, I will reinstate all wrongfully terminated unvaccinated workers back to work

with back pay. I will apologize to all of them for the suffering and hardship they have been going through. We are God's children but are being discriminated against by Satanic leaders who bowed down to Agenda 21, now Agenda 2030, learn more about sick and evil New World Order government agenda 2030: <https://stopworldcontrol.com/> or <https://timetofreeamerica.com/>
